Mr. Griffin attended a meeting regarding the Glaze Report.

Other Business:

Clarissa attended a consultation with Minister Zach Churchill and Superintendent Elwin LeRoux regarding the Glaze Report. It was a very short meeting.

It was noted Community members are not always aware of what is going on in the schools in their area. Somehow communication accessible to parents / guardians should also be available to the community.

Schools Plus – It was brought to our attention our school only has one piece of this program and the Therapy piece is missing. Ms. Carroll will do up a letter from the SAC asking for this to be addressed.

Next meeting Thursday, April 12 at 5pm
